**Quality Assurance &
Accreditation Department
2024**

As a student of the AOU community , you are an ambassador of AOU , and the basis of which you comply to AOU code of conduct. At all times you are expected to behave in a manner that is responsible and respectful .

- While at AOU treat each other with mutual respect and be informed of AOU's policy on 'Equal Opportunities and Respect for Diversity'
- Preserving the university's property and facilities and not damaging, tampering with, or disrupting them
- Be proactively responsible for contributing to University's security policies by producing identity card when requested or reporting matters that seem suspicious.
- Be informed of AOU's health and safety policy and comply with all regulations.

- Taking responsibility for your own learning and progress in collaboration with your tutors to become independent learners.
- Be a proactive member of the University community by engaging in discussion and contributing to activities that are available.
- Actively engage in enhancing university's systems and services by sharing your opinion and contributing in students' surveys or any other systems the university offer .
- Attending facilitating educational activities as tutorials, seminars, online platforms, laboratory classes offered by the university .
- Respecting and Complying all Exam rules which provided by the university's regulations .
- Getting advantages of using available learning resources provided by the university to enhance the

learning process and knowledge such as E-Library and educational facilities on LMS etc.

- Acting with academic integrity in all aspects of studies as avoiding plagiarism and providing accurate and honest evidence of your work .
- Comply with the students' code of conduct and maintain demure clothing and appropriate language .
- Cooperating with the fellow students ,administrator and academic staff on campus.
- Checking University's notifications on your University e-mail and LMS regularly .
- Checking any information or announcements related to the university only by the formal online platforms of the university .
- Be aware of the information provided about the university and your program along with the policies

that govern the university's teaching and learning environment .

- Violation of student code as set out in the "student code of conduct and disciplinary procedures" can set out an investigation against a student.

For more information about student code please review the following regulations available on the website :
